### WORK EXPERIENCE

#### Vocational Learning Coach

2020-2023

Build Right Training Solutions

- Designed and implemented safety training programs that resulted in a 50% reduction in workplace incidents.
- Conducted regular assessments to ensure compliance with OSHA regulations and standards.
- Facilitated workshops on advanced construction techniques and technologies.
- Mentored apprentices and new hires to enhance skill development and career progression.
- Collaborated with industry leaders to remain current with best practices and innovations.
- Developed training resources that are accessible and engaging for a diverse workforce.

#### Safety Trainer

2019-2020

Construction Safety Council

- Delivered safety training to over 1,000 construction workers across multiple job sites.
- Implemented a feedback system to improve training content and delivery methods.
- Worked closely with project managers to tailor training to specific project needs.
- Evaluated training outcomes through surveys and performance metrics.
- Created a comprehensive safety manual that is still in use today for training purposes.
- Promoted a culture of safety through regular safety meetings and training refreshers.

### ACHIEVEMENTS

- Achieved a 98% satisfaction rate in safety training programs from participant feedback.
- Recipient of the Safety Excellence Award in 2021 for contributions to workplace safety.
- Successfully implemented a mentoring program that led to a 30% increase in apprentice retention rates.
