ACHIEVEMENTS

- Increased job placement rates by 50% within one year through enhanced employer partnerships.
- Awarded 'Innovative Program of the Year' by the National Workforce Association in 2022.
- Designed a comprehensive career exploration toolkit now used by multiple organizations.

PROFILE

Results-driven Vocational Program Coordinator with over 10 years in workforce development, specializing in creating and managing training programs for at-risk youth. Skilled in designing innovative educational pathways that align with industry needs. Proven success in building relationships with employers to secure job placements and internships for program participants. Strong background in grant writing and fundraising, with a history of securing funding for program expansion.

EXPERIENCE

VOCATIONAL PROGRAM COORDINATOR

Youth Empowerment Network

2016 - Present

- Developed and managed vocational training programs focused on construction and technology.
- Secured over \$500,000 in grant funding to expand program offerings.
- Collaborated with local businesses to create internship opportunities for program participants.
- Conducted workshops and training sessions for over 300 at-risk youth annually.
- Implemented a mentorship program that paired participants with industry professionals.
- Evaluated program outcomes and adjusted curricula based on participant feedback.

PROGRAM MANAGER

Future Leaders Institute

2014 - 2016

- Managed career readiness programs targeting high school students.
- Developed partnerships with over 20 local employers to facilitate job shadowing experiences.
- Conducted training on soft skills and resume writing for participants.
- Led a team of 4 staff members, providing guidance and support in program implementation.
- Monitored participant engagement and success metrics, reporting to stakeholders.
- Organized annual career expos, connecting students to potential employers.
