EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, TECH UNIVERSITY

ACHIEVEMENTS

- Increased student enrollment in tech programs by 40% through effective marketing strategies.
- Recognized for excellence in teaching with a 'Best Instructor' award in 2020.
- Secured a partnership with a local tech firm, resulting in internships for 30 students.

PROFILE

Dedicated Vocational Skills Coach with a focus on technology training for underprivileged youth. With 5 years of experience in educational settings, I have developed and delivered comprehensive training programs that bridge the digital divide, enabling students to acquire essential tech skills for the job market. I thrive in creating an engaging and interactive learning environment that fosters creativity and critical thinking.

EXPERIENCE

TECH SKILLS INSTRUCTOR

Youth Empowerment Program

2016 - Present

- Developed a curriculum focused on computer literacy, coding, and digital marketing for youth ages 12-18.
- Implemented hands-on projects that resulted in students creating their own websites and apps as part of their learning.
- Collaborated with local tech companies to provide internships and job shadowing for students.
- Utilized online learning platforms to enhance accessibility and engagement in training.
- Facilitated workshops on resume building and interview techniques for tech-related jobs.
- Conducted assessments to measure student progress and adapt training methods as needed.

DIGITAL LITERACY COACH

Community Tech Center

2014 - 2016

- Provided one-on-one coaching for adults seeking to improve their digital skills for better job opportunities.
- Created training materials and guides to assist clients in navigating job search websites and online applications.
- Organized community workshops to educate on the importance of digital literacy in the modern workplace.
- Assisted clients in setting up professional social media profiles to enhance their job market presence.
- Evaluated client feedback and program outcomes to continuously improve service delivery.
- Promoted digital literacy initiatives through partnerships with local libraries and schools.
