Michael Anderson

HOSPITALITY SKILLS TRAINER

Passionate Vocational Skills Practitioner with 7 years of experience in the hospitality industry, dedicated to training individuals for careers in food service and hotel management. My extensive background in hospitality management allows me to create engaging and practical training programs that prepare students for the fast-paced nature of the industry. I focus on developing both hard and soft skills, ensuring that trainees are well-equipped to meet the demands of employers.

EXPERIENCE

HOSPITALITY SKILLS TRAINER

Culinary Arts Institute

2016 - Present

- Developed and conducted training programs for aspiring chefs and hospitality professionals.
- Implemented hands-on cooking classes that improved student culinary skills by 40%.
- Facilitated workshops on customer service excellence and team dynamics.
- Evaluated student performance through practical assessments and feedback.
- Collaborated with local restaurants and hotels for internship opportunities.
- Monitored industry trends to keep training materials current and relevant.

FOOD SERVICE INSTRUCTOR

Hospitality Academy

2014 - 2016

- Taught courses on food safety, menu planning, and service management.
- Organized industry-related events to provide networking opportunities for students.
- Developed training resources that emphasize practical application in real-world scenarios.
- Coordinated with local businesses to enhance job placement programs.
- Facilitated feedback sessions to continuously improve training effectiveness.
- Promoted a culture of excellence in service among trainees.
