EDUCATION

BACHELOR'S DEGREE IN HEALTH EDUCATION, COLLEGE OF HEALTH SCIENCES

ACHIEVEMENTS

- Achieved a 30% increase in student enrollment through outreach and marketing initiatives.
- Recognized for excellence in curriculum development by state education authorities.
- Successfully placed over 150 students in healthcare roles within the first year of program launch.

PROFILE

Results-driven Vocational Training Practitioner with over 8 years of experience in the healthcare sector. Expertise in developing training programs that prepare individuals for certifications in nursing and allied health fields. Strong advocate for hands-on learning experiences and integrating real-world scenarios into training modules. Proven ability to increase student pass rates on certification exams through effective teaching strategies and personalized support.

EXPERIENCE

HEALTHCARE TRAINING SPECIALIST

NursePath Academy

2016 - Present

- Developed and delivered training for nursing assistant programs, achieving a 95% certification pass rate.
- Implemented simulation labs that provided hands-on experience for students in clinical skills.
- Advised students on career pathways and job search strategies, resulting in a high employment rate post-graduation.
- Conducted regular evaluations of training programs to ensure alignment with state licensing requirements.
- Trained and mentored new instructors in the use of technology for effective teaching.
- Hosted community health fairs to promote awareness of healthcare careers and program offerings.

VOCATIONAL INSTRUCTOR

Healthcare Training Institute

2014 - 2016

- Led courses in medical coding and billing, enhancing students' job readiness and technical skills.
- Designed assessments that accurately measured student learning outcomes and competencies.
- Collaborated with local healthcare providers to facilitate internship opportunities for students.
- Utilized online platforms to offer flexible learning options for adult learners.
- Organized workshops on resume writing and interview techniques for healthcare graduates.
- Participated in curriculum committees to optimize course offerings based on industry needs.
