

MICHAEL ANDERSON

VOICE AND TECHNOLOGY COACH

PROFILE

Accomplished voice coach specializing in the integration of modern technology into vocal training. With a robust background in music education and performance, this professional excels in utilizing digital platforms to enhance learning experiences for aspiring vocalists. A strong advocate for innovation in pedagogy, the approach focuses on personalized feedback through video analysis and online resources.

EXPERIENCE

VOICE AND TECHNOLOGY COACH

Digital Music Academy

2016 - Present

- Integrated digital tools for vocal analysis, enhancing student understanding of their vocal capabilities.
- Conducted virtual training sessions, reaching a global audience of aspiring singers.
- Developed online courses that garnered over 500 enrollments in the first year.
- Facilitated webinars on the intersection of technology and vocal performance.
- Created a resource library of instructional videos and exercises for student access.
- Analyzed student recordings to provide targeted feedback and improvement strategies.

VOCAL INSTRUCTOR

Harmony Voice Studio

2014 - 2016

- Crafted individualized lesson plans focusing on genre-specific techniques.
- Utilized audio recording software to track student progress and adjust teaching methods.
- Organized community performances to build confidence in students.
- Conducted workshops on vocal improvisation and creativity.
- Provided guidance on audition preparation and repertoire selection.
- Maintained student retention rates above 90% through engaging instruction.
