MICHAEL ANDERSON

VULNERABILITY MANAGER

I am a Cybersecurity Professional with over 6 years of experience specializing in vulnerability management for e-commerce platforms. My expertise lies in identifying security vulnerabilities that can impact customer trust and business integrity. I have a proven track record of using tools like Acunetix and Qualys to conduct detailed security audits, ensuring compliance with PCI DSS standards.

PROFESSIONAL EXPERIENCE

E-Shop Innovations

Mar 2018 - Present

Vulnerability Manager

- Managed vulnerability assessments for e-commerce applications, ensuring PCI DSS compliance.
- Leveraged Acunetix to identify and mitigate vulnerabilities, enhancing system security.
- Conducted regular security audits, resulting in a 35% reduction in security incidents.
- Collaborated with development teams to integrate security into the product lifecycle.
- Mentored junior analysts, improving team performance and knowledge sharing.
- Prepared detailed reports for stakeholders on vulnerability status and remediation efforts.

CyberRetail Corp

Dec 2015 - Jan 2018

Security Analyst

- Conducted vulnerability scans and assessments on web applications and APIs.
- Utilized Qualys and Burp Suite to perform penetration tests, identifying critical risks.
- Developed risk assessment reports for management, influencing security policy decisions.
- Executed remediation strategies to reduce vulnerabilities by 25% within a year.
- Trained staff on secure coding practices, enhancing overall security awareness.
- Participated in incident response activities to mitigate security threats effectively.

ACHIEVEMENTS

- Led a project that improved e-commerce security, resulting in zero breaches in 2021.
- Achieved a 35% reduction in vulnerabilities through proactive security measures.
- Recognized for outstanding mentorship in cybersecurity practices within the organization.
