### SKILLS

- technology integration
- digital training
- performance analytics
- e-learning development
- simulation training
- continuous improvement

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**MASTER OF SCIENCE IN LOGISTICS  
AND SUPPLY CHAIN TECHNOLOGY,  
GEORGIA INSTITUTE OF TECHNOLOGY**

### ACHIEVEMENTS

- Increased training engagement rates by 50% through technology-enhanced methods.
- Received innovation award for contributions to digital learning initiatives.
- Successfully trained over 200 employees on new technology implementations.

### WORK EXPERIENCE

#### TECHNOLOGY INTEGRATION TRAINER

NextGen Logistics

2020 - 2025

- Developed and delivered training on new warehouse management software.
- Conducted hands-on sessions utilizing virtual simulations to enhance learning.
- Collaborated with IT department to integrate technology into training programs.
- Evaluated training effectiveness through data analytics and employee feedback.
- Implemented a digital learning platform to streamline training delivery.
- Created instructional videos to support remote training initiatives.

#### LOGISTICS TRAINER

Smart Supply Chain Solutions

2015 - 2020

- Facilitated training on automated warehousing systems and robotics.
- Designed interactive e-learning modules for warehouse staff.
- Monitored employee performance and provided targeted coaching.
- Collaborated with management to assess training needs and gaps.
- Utilized performance metrics to refine training strategies.
- Organized workshops on emerging trends in warehouse technology.
