- San Francisco, CA

### SKILLS

- wastewater management
- project management
- regulatory compliance
- process optimization
- team leadership
- industrial applications

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN CHEMICAL  
ENGINEERING, UNIVERSITY OF TEXAS  
AT AUSTIN**

### ACHIEVEMENTS

- Increased treatment efficiency by 50% through innovative process redesign.
- Awarded the Excellence in Wastewater Management Award for outstanding performance.
- Published research on wastewater treatment technologies in peer-reviewed journals.

### WORK EXPERIENCE

#### INDUSTRIAL WASTEWATER TREATMENT MANAGER

CleanStream Industries  
2020 - 2025

- Oversaw wastewater treatment operations for multiple industrial facilities.
- Implemented a real-time monitoring system that improved compliance reporting.
- Developed training modules to ensure staff competency in new technologies.
- Collaborated with engineering teams to design custom treatment solutions.
- Conducted regular audits to assess compliance with environmental regulations.
- Facilitated workshops to promote best practices in wastewater management.

#### PROCESS OPTIMIZATION ENGINEER

EnviroTech Solutions  
2015 - 2020

- Analyzed wastewater treatment processes to identify inefficiencies.
- Developed and executed optimization plans that increased throughput by 35%.
- Worked with clients to tailor solutions to their specific wastewater needs.
- Monitored and reported on performance metrics to stakeholders.
- Trained operational staff on new optimization methodologies.
- Participated in industry conferences to share knowledge and best practices.
