Michael Anderson

LOGISTICS MANAGER

Dedicated Water Sports Event Manager with a strong background in logistics and operations management. Specializes in coordinating large-scale events that require meticulous planning and execution. Demonstrates expertise in managing diverse teams and ensuring that all operational aspects align with event goals. Highly skilled in vendor negotiation and resource allocation to optimize budget utilization.

EXPERIENCE

LOGISTICS MANAGER

Water Sports Solutions

2016 - Present

- Oversaw logistics for multi-day water sports festivals, managing up to 200 participants.
- Coordinated transportation and accommodation for athletes and staff.
- Negotiated contracts with suppliers to secure competitive pricing on equipment rentals.
- Implemented an inventory management system to track event supplies.
- Ensured compliance with safety regulations and risk management protocols.
- Facilitated communication between event staff and stakeholders to ensure smooth operations.

EVENT OPERATIONS COORDINATOR

Aqua Sports Management

2014 - 2016

- Supported the planning and execution of regional water sports competitions.
- Managed registration processes and participant communications.
- Coordinated with local authorities to secure necessary permits for events.
- Trained volunteers on operational procedures and safety protocols.
- Assisted in developing event schedules and timelines.
- Conducted post-event assessments to gather feedback and identify improvements.
