## WORK EXPERIENCE

### Creative Event Director

2020-2023

Innovative Water Sports Events

- Conceptualized and executed themed water sports festivals that drew over 10,000 attendees.
- Integrated technology solutions to enhance event experiences, including live streaming and interactive apps.
- Developed partnerships with local artists to incorporate cultural elements into events.
- Implemented participant feedback mechanisms to drive continuous improvement.
- Coordinated with marketing teams to create engaging promotional campaigns.
- Facilitated workshops and activities aimed at promoting health and wellness through water sports.

### Event Coordinator

2019-2020

Water Sports Innovations

- Assisted in the planning and execution of unique water sports events tailored for family engagement.
- Managed event logistics, ensuring seamless execution from start to finish.
- Collaborated with local businesses to create sponsorship opportunities.
- Developed engaging content for social media to drive event promotion.
- Organized participant challenges and competitions to enhance engagement.
- Conducted evaluations to assess event success and areas for future improvement.

## ACHIEVEMENTS

- Received the Creative Event of the Year Award for outstanding innovation in event design.
- Increased attendance at events by 70% through targeted marketing and engaging programming.
- Successfully launched a community health initiative tied to water sports participation.
