

# MICHAEL ANDERSON

## URBAN WATER POLICY ADVISOR

### PROFILE

---

Strategically minded Water Use Efficiency Specialist with extensive experience in urban water management and public policy advocacy. Expertise lies in promoting sustainable water practices across municipalities, focusing on integrated resource management and community engagement. Proficient in analyzing water supply systems and developing policies that enhance water use efficiency while ensuring equitable access to resources.

### EXPERIENCE

---

#### URBAN WATER POLICY ADVISOR

##### City of Riverside

*2016 - Present*

- Developed and implemented urban water management plans, resulting in a 15% reduction in city-wide water usage.
- Engaged with community stakeholders to promote water conservation initiatives and gather feedback.
- Analyzed water supply forecasts to inform policy decisions and resource allocation.
- Collaborated with local businesses to create incentive programs for water-efficient appliances.
- Prepared policy briefs for city council, influencing legislation on water management.
- Facilitated public workshops on sustainable water practices, reaching over 1,000 residents.

#### WATER RESOURCE SPECIALIST

##### WaterWise Initiative

*2014 - 2016*

- Conducted water use assessments for municipal clients and provided tailored efficiency recommendations.
- Implemented public outreach campaigns that increased water-saving device adoption by 20%.
- Coordinated with environmental organizations to promote sustainable water management practices.
- Developed educational materials on water conservation for schools and community centers.
- Monitored and reported on the effectiveness of water-saving initiatives to stakeholders.
- Participated in regional water resource planning meetings, advocating for sustainable policies.
