### WORK EXPERIENCE

#### Residential Water Conservation Coordinator

2020-2023

Home Water Solutions

- Managed residential water conservation initiatives that achieved a 25% reduction in household water use.
- Conducted comprehensive water audits for over 1,000 homes, identifying key areas for improvement.
- Developed educational materials and workshops to inform homeowners about water-saving practices.
- Collaborated with local government to promote rebate programs for water-efficient appliances.
- Analyzed program data to measure success and adjust strategies accordingly.
- Engaged with community groups to foster a culture of water conservation.

#### Water Efficiency Educator

2019-2020

Community Water Trust

- Developed and implemented educational programs on water conservation for schools and community centers.
- Facilitated workshops that educated over 500 participants on water-saving techniques.
- Collaborated with local businesses to promote water-efficient products and practices.
- Monitored and reported on program effectiveness to stakeholders and funders.
- Engaged with families to provide personalized water-saving recommendations.
- Created and distributed newsletters highlighting water conservation tips and success stories.

### ACHIEVEMENTS

- Successfully launched a neighborhood water conservation challenge that reduced usage by 15%.
- Received community recognition for outstanding contributions to local sustainability efforts.
- Published articles in local publications promoting water-saving habits.
