# MICHAEL ANDERSON

## WATERPROOFING SPECIALIST

Innovative Waterproofing Technician with a focus on modern waterproofing methods and materials. Brings forth a wealth of experience in the construction industry, specializing in the integration of waterproofing solutions during the building process. Highly skilled in using advanced tools and technologies for seamless application and inspection, ensuring optimal performance and longevity of installations.

## **PROFESSIONAL EXPERIENCE**

### **NextGen Construction**

*Mar 2018 - Present*

Waterproofing Specialist

- Developed and executed innovative waterproofing strategies for new builds.
- Utilized state-of-the-art equipment for precise installation and inspection.
- Conducted risk assessments to preemptively address potential waterproofing challenges.
- Maintained a clean and organized work environment to enhance safety.
- Collaborated with architects to integrate waterproofing seamlessly into designs.
- Provided expert advice to clients regarding maintenance and care of waterproofing systems.

### **Foundation Solutions Inc.**

*Dec 2015 - Jan 2018*

Junior Waterproofing Technician

- Assisted in the installation of waterproofing systems in residential properties.
- Learned and applied proper techniques for various waterproofing materials.
- Conducted site evaluations to support senior technicians' assessments.
- Maintained accurate records of materials used and work completed.
- Participated in safety training sessions to ensure compliance with regulations.
- Supported project teams in achieving timely completion of jobs.

## **ACHIEVEMENTS**

- Implemented a new installation technique that improved efficiency by 30%.
- Recognized for exceptional client feedback ratings in project evaluations.
- Completed over 50 successful waterproofing projects within deadlines.
