### SKILLS

- Operational Analysis
- Technical Documentation
- Data Interpretation
- Cross-Functional Collaboration
- Project Coordination
- Continuous Improvement

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF ARTS IN  
INTERNATIONAL RELATIONS,  
UNIVERSITY OF DEFENSE STUDIES**

### ACHIEVEMENTS

- Enhanced evaluation reporting processes, reducing turnaround time by 25%.
- Received commendation for contributions to a high-profile defense project.
- Successfully identified and implemented best practices that improved system assessments.

### WORK EXPERIENCE

#### WEAPONS SYSTEMS ANALYST

Innovative Defense Solutions

2020 - 2025

- Performed detailed evaluations of weapon systems to assess operational readiness.
- Collaborated with engineers to develop and refine testing protocols.
- Analyzed performance data to identify trends and areas for improvement.
- Presented findings and recommendations to senior defense officials.
- Managed project timelines and resources effectively to meet deadlines.
- Engaged in continuous improvement initiatives to enhance evaluation processes.

#### RESEARCH ANALYST

Defense Research Institute

2015 - 2020

- Conducted research on emerging defense technologies and their applications.
- Supported senior analysts in evaluating weapon systems for effectiveness.
- Developed documentation for testing methodologies and outcomes.
- Participated in collaborative projects to enhance system evaluations.
- Engaged in discussions with military personnel to gather insights on system needs.
- Contributed to reports that informed strategic planning in defense technologies.
