MICHAEL ANDERSON

ACCESSIBILITY SPECIALIST

Enthusiastic Web Accessibility Specialist with a focus on educational technology. With a background in special education and over 4 years of experience in making learning platforms accessible to all students, I am dedicated to creating inclusive educational environments. Skilled in collaborating with instructional designers and developers to ensure all digital content meets accessibility standards.

PROFESSIONAL EXPERIENCE

EduTech Innovations   *Mar 2018 - Present*
Accessibility Specialist

- Evaluated and improved the accessibility of online courses, resulting in a 35% increase in enrollments from students with disabilities.
- Collaborated with content creators to develop accessible instructional materials.
- Conducted training sessions for faculty on the importance of web accessibility.
- Utilized screen reader software to test and ensure course content usability.
- Developed accessibility guidelines for faculty to follow when designing online courses.
- Partnered with students with disabilities to gather feedback on their learning experiences.

School District Services   *Dec 2015 - Jan 2018*
Special Education Consultant

- Provided expertise on accessibility in educational resources, improving compliance with IDEA regulations.
- Worked with teams to create inclusive digital assessments for students with special needs.
- Facilitated workshops on accessible technology tools for teachers.
- Assisted in developing a district-wide accessibility policy for digital content.
- Provided one-on-one support to educators in implementing accessible practices.
- Conducted assessments of existing educational technologies for accessibility compliance.

ACHIEVEMENTS

- Recognized with the 'Innovative Educator' award for contributions to improving accessibility in online learning.
- Increased student engagement by 50% in online courses through accessibility improvements.
- Developed a resource guide for teachers on accessible instructional strategies.
