- Increased awareness of accessibility issues by organizing community workshops.
- Successfully launched an accessibility campaign that resulted in a 60% increase in resource access for individuals with disabilities.

Michael Anderson

DIGITAL ACCESSIBILITY MANAGER

Results-driven Web Accessibility Specialist with a rich background in non-profit organizations. Over 8 years of experience in advocating for accessibility within various platforms that serve underrepresented communities. My expertise lies in conducting thorough accessibility evaluations and collaborating with content creators to enhance digital materials' accessibility. Skilled in using assistive technologies and evaluating their effectiveness in real-world scenarios.

EXPERIENCE

DIGITAL ACCESSIBILITY MANAGER

Inclusive Community Foundation

2016 - Present

- Led accessibility initiatives across multiple digital platforms, resulting in a 50% increase in engagement from users with disabilities.
- Conducted extensive training for staff on creating accessible digital content and tools.
- Collaborated with program directors to ensure accessibility in all programmatic materials.
- Utilized user feedback to identify barriers and implement solutions in online content.
- Developed a comprehensive accessibility strategy for the organization.
- Created partnerships with local advocacy groups to promote accessibility awareness.

ACCESSIBILITY ADVOCATE

Community Non-Profit

2014 - 2016

- Assessed digital communication methods for accessibility, leading to a 45% increase in participation in online events.
- Provided resources and training for staff on accessible event planning.
- Conducted outreach to community members to gather feedback on digital accessibility.
- Worked with designers to ensure promotional materials met accessibility standards.
- Advocated for policy changes to improve accessibility in community programs.
- Created and maintained a digital accessibility resource webpage for the organization.
