

MICHAEL ANDERSON

Senior Web API Developer

San Francisco, CA • (555) 234-5678 • michael.anderson@email.com • www.michaelanderson.com

SUMMARY

A dedicated Web API Developer with over 5 years of experience in creating robust and scalable APIs for various industries, including e-commerce and healthcare. Possessing a strong understanding of RESTful services, I am adept at designing and implementing APIs that enhance user experience and streamline operations. My expertise lies in collaborating with cross-functional teams to gather requirements and deliver solutions that align with business objectives.

WORK EXPERIENCE

Senior Web API Developer Tech Innovators Inc.

Jan 2023 - Present

- Led the design and development of over 20 RESTful APIs for a large-scale e-commerce platform.
- Implemented OAuth 2.0 for secure API access, resulting in a 30% decrease in security incidents.
- Collaborated with front-end developers to integrate APIs, improving user engagement by 25%.
- Conducted code reviews and provided mentorship to junior developers, enhancing team productivity.
- Utilized Postman for API testing, achieving 95% test coverage before deployment.
- Documented API specifications using Swagger, improving team communication and onboarding processes.

Web API Developer Global Solutions Ltd.

Jan 2020 - Dec 2022

- Developed and maintained APIs for a healthcare application, enhancing user accessibility and data security.
 - Worked with SQL databases to optimize data retrieval times, improving performance by 40%.
 - Participated in Agile sprints, delivering features on time and within budget.
 - Implemented logging and monitoring solutions using ELK stack, minimizing downtime.
 - Created user guides and API documentation for internal and external stakeholders.
 - Trained staff on best practices for API usage and integration.
-

EDUCATION

Bachelor of Science in Computer Science, University of Technology

Sep 2019 - Oct 2020
