

Michael

ANDERSON

WEB API DEVELOPER

Motivated Web API Developer with over 6 years of experience in the software development industry, focused on delivering high-quality web services. I have a strong foundation in both front-end and back-end technologies, which allows me to effectively bridge the gap between user requirements and technical implementation. My experience includes working on large-scale projects where I have honed my skills in API design, database management, and system integration.

SKILLS

- Node.js
- Express
- SQL
- API Versioning
- Load Testing
- Agile

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF TECHNOLOGY IN
COMPUTER SCIENCE, TECHNICAL
UNIVERSITY**

ACHIEVEMENTS

- Improved API response times by 35% through efficient coding practices.
- Received 'Best Team Player' award for outstanding collaboration with development teams.
- Contributed to a project that received recognition for innovation in software development.

WORK EXPERIENCE

WEB API DEVELOPER

Digital Solutions Corp.

2020 - 2025

- Developed and managed APIs for a customer relationship management system.
- Utilized Node.js and Express to create efficient server-side applications.
- Incorporated API versioning to maintain backward compatibility.
- Collaborated with data engineers to ensure seamless data flow and integration.
- Performed load testing using Apache Bench, ensuring optimal performance under high traffic.
- Provided training sessions for new team members on API best practices.

API DEVELOPER

Tech Forward Inc.

2015 - 2020

- Assisted in developing APIs for various internal tools, improving workflow efficiency.
- Participated in daily stand-ups and sprint planning meetings, promoting Agile methodologies.
- Conducted code reviews and provided constructive feedback to peers.
- Utilized SQL to manage and query databases effectively.
- Helped maintain comprehensive API documentation for developers.
- Collaborated with cross-functional teams to gather feedback and iterate on API design.
