## ANDERSON

### BACK-END WEB DEVELOPER

Motivated Web Application Developer with 6 years of experience specializing in back-end development and database management. I have a strong ability to develop robust server-side applications and APIs to support front-end functionality. My expertise in various programming languages and database systems has allowed me to contribute effectively to multiple high-impact projects.

#### SKILLS

- Node.js
- MySQL
- PHP
- Laravel
- RESTful APIs
- Git

#### LANGUAGES

- English
- Spanish
- French

#### EDUCATION

**BACHELOR OF SCIENCE IN  
INFORMATION TECHNOLOGY, TECH  
INSTITUTE, 2015**

#### ACHIEVEMENTS

- Implemented a new database management system that reduced data retrieval time by 30%.
- Received 'Excellence Award' for outstanding performance in delivering high-quality projects.
- Successfully mentored new hires, resulting in improved team performance and cohesion.

#### WORK EXPERIENCE

##### BACK-END WEB DEVELOPER

Data Solutions Group

2020 - 2025

- Developed and maintained server-side applications using Node.js and Express.
- Designed and optimized database structures using MySQL, improving query performance by 25%.
- Implemented secure API endpoints to ensure data protection and integrity.
- Collaborated with front-end developers to create a seamless integration between front-end and back-end services.
- Conducted performance tuning and monitoring of applications to ensure reliability.
- Participated in code reviews, enhancing overall code quality and team collaboration.

##### WEB DEVELOPER

Innovative Tech Solutions

2015 - 2020

- Worked on developing dynamic web applications using PHP and Laravel framework.
- Integrated third-party services and APIs for improved functionality.
- Documented application processes for team reference and future development.
- Conducted unit testing and debugging to ensure application reliability.
- Collaborated with UI/UX teams to refine application designs based on user feedback.
- Trained junior developers on coding standards and best practices.
