EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

ACHIEVEMENTS

- Increased course completion rates by 50% through an LMS redesign.
- Received 'Excellence in Innovation' award for outstanding contributions.
- Improved site accessibility, leading to a 30% increase in user engagement.

SENIOR WEB DEVELOPER

Detail-oriented Web Development Analyst with 7 years of experience in the education sector, specializing in developing user-friendly educational platforms. My background includes designing and maintaining Learning Management Systems (LMS) that improve student engagement and learning outcomes. I have a strong grasp of both front-end and back-end technologies, including Python and Ruby on Rails.

WORK EXPERIENCE

SENIOR WEB DEVELOPER

EduTech Innovations

2020 - 2025

- Revamped an LMS, increasing course completion rates by 50%.
- Designed user-friendly interfaces that improved student satisfaction scores.
- Collaborated with educators to incorporate feedback into platform updates.
- Utilized Python and Ruby on Rails for back-end development.
- Conducted training sessions for faculty on new system features.
- Optimized website performance, resulting in a 40% reduction in load times.

WEB DEVELOPER

Learning Solutions Inc.

2015 - 2020

- Assisted in developing online courses and educational resources.
- Maintained website content and ensured accessibility for all users.
- Utilized HTML, CSS, and JavaScript to enhance user experience.
- Worked closely with instructional designers to implement course features.
- Participated in usability testing to gather user feedback.
- Provided ongoing support for technical issues related to the LMS.
