

MICHAEL ANDERSON

Front-End Developer

San Francisco, CA • (555) 234-5678 • michael.anderson@email.com • www.michaelanderson.com

SUMMARY

Dynamic and detail-oriented Web UI Developer with over 5 years of experience in creating user-friendly web applications. Proven expertise in HTML, CSS, and JavaScript allows me to build responsive, accessible, and visually appealing interfaces. My background in graphic design enables me to collaborate effectively with design teams to ensure the aesthetic integrity of projects.

WORK EXPERIENCE

Front-End Developer Tech Innovations Corp

Jan 2023 - Present

- Developed and maintained responsive web applications using HTML, CSS, and JavaScript frameworks.
- Collaborated with UX/UI designers to implement modern design principles and improve usability.
- Optimized web applications for maximum speed and efficiency, reducing load times by 30%.
- Utilized version control systems like Git to manage codebase and collaborate with team members.
- Conducted user testing and feedback sessions to refine features and enhance user experience.
- Integrated RESTful APIs to streamline data retrieval and enhance application functionality.

Web Developer Intern Creative Solutions LLC

Jan 2020 - Dec 2022

- Assisted in the development of web applications for various clients, focusing on front-end features.
