Michael ANDERSON

SUSTAINABLE WEDDING PLANNER

Innovative wedding planner with a focus on sustainable and eco-friendly event practices. With over five years of experience, adept at creating memorable weddings that not only reflect the couple's vision but also minimize environmental impact. Expertise in sourcing local and sustainable vendors, utilizing green materials, and implementing waste-reduction strategies. Committed to educating clients on eco-conscious choices while ensuring exceptional service and quality.

WORK EXPERIENCE

SUSTAINABLE WEDDING PLANNER

Green Weddings Co.

2020 - 2025

- Developed and implemented eco-friendly wedding packages tailored to client preferences.
- Established partnerships with local sustainable vendors to enhance service offerings.
- Coordinated logistics to ensure minimal waste during events.
- Educated clients on sustainable practices and choices throughout the planning process.
- Managed budgets while prioritizing eco-conscious decisions.
- Executed on-site coordination with a focus on sustainability standards.

EVENT ASSISTANT

Eco-Friendly Events

2015 - 2020

- Supported the planning and execution of eco-conscious events and weddings.
- Assisted in vendor selection with a focus on sustainability.
- Maintained detailed records of eco-friendly materials and practices used.
- Facilitated client meetings to discuss sustainable options.
- Provided logistical support during events to align with sustainability goals.
- Gathered feedback to improve sustainable practices in future events.
