WORK EXPERIENCE

Welding Foreman

2020-2023

Marine Builders Corp.

- Oversaw welding operations on naval vessels, ensuring compliance with maritime safety regulations.
- Managed a diverse team of welders, emphasizing continuous training and development.
- Conducted quality assessments on welds, maintaining high standards of craftsmanship.
- Coordinated with project managers to ensure timely project delivery.
- Implemented safety protocols that led to a 70% reduction in workplace incidents.
- Utilized underwater welding techniques for specialized projects, enhancing operational capabilities.

Senior Welder

2019-2020

Oceanic Fabrication

- Performed welding on ship hulls and structures, adhering to strict quality standards.
- Collaborated with engineers to develop solutions for complex fabrication challenges.
- Maintained equipment and tools, ensuring operational readiness and safety.
- Participated in safety drills and training sessions to promote a culture of safety.
- Documented welding processes for compliance with regulatory requirements.
- Achieved recognition for exceptional quality control and craftsmanship in 2022.

ACHIEVEMENTS

- Awarded 'Best Foreman' in 2023 for excellence in project execution.
- Successfully completed multiple projects ahead of schedule, resulting in cost savings.
- Developed a mentorship program that improved team performance by 40%.
