## **EXPERTISE SKILLS**

- Ultrasonic testing
- Thermographic inspection
- Data analysis
- Leadership
- Safety management
- Compliance documentation

## **LANGUAGES**

- English
- Spanish
- French

## **CERTIFICATION**

- Bachelor of Engineering in Mechanical Engineering, Institute of Technology, 2015

# MICHAEL ANDERSON

## LEAD NDT TECHNICIAN

Strategic Welding NDT Technician with a solid background in mechanical systems and extensive experience in non-destructive testing methodologies.

Possesses a comprehensive understanding of welding processes and associated inspection techniques, ensuring compliance with industry standards and enhancing operational safety. Proven ability to employ sophisticated diagnostic tools to detect structural weaknesses and prevent failures.

## **PROFESSIONAL EXPERIENCE**

### **Steelworks Engineering**

*Mar 2018 - Present*

Lead NDT Technician

- Oversaw NDT operations and ensured adherence to safety protocols.
- Conducted comprehensive inspections utilizing ultrasonic and thermographic methods.
- Analyzed data and generated reports for project evaluation and safety assurance.
- Trained staff on advanced NDT techniques and inspection protocols.
- Collaborated with project managers to address quality concerns and implement solutions.
- Developed and maintained NDT procedural documentation for compliance.

### **NDT Solutions LLC**

*Dec 2015 - Jan 2018*

Welding Inspector

- Performed regular inspections of welded joints and structural components.
- Utilized X-ray and ultrasonic testing methods to ensure weld integrity.
- Prepared detailed inspection reports and communicated findings to stakeholders.
- Conducted training sessions on inspection standards and safety regulations.
- Collaborated with engineering teams to resolve identified issues promptly.
- Participated in safety audits and contributed to risk assessment initiatives.

## **ACHIEVEMENTS**

- Led a team that reduced inspection discrepancies by 30% within one year.
- Received a commendation for excellence in project execution in 2022.
- Implemented a training program that enhanced team performance and safety awareness.
