SKILLS

- Visual inspection
- Ultrasonic testing
- Quality compliance
- Equipment calibration
- Training facilitation
- Team collaboration

EDUCATION

ASSOCIATE OF SCIENCE IN QUALITY ASSURANCE, TECHNICAL COLLEGE, 2014

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Recognized for improving inspection efficiency by 15% through process improvements.
- Contributed to a project that achieved a 98% compliance rate in safety inspections.
- Received an award for excellence in team collaboration in 2022.

Michael Anderson

WELDING NDT TECHNICIAN

Proficient Welding NDT Technician with a strong background in quality assurance and extensive experience in non-destructive testing within the construction and manufacturing sectors. Expertise in utilizing a variety of NDT techniques to ensure the integrity of welded structures and components. Known for a methodical approach to inspections and a commitment to maintaining high safety standards.

EXPERIENCE

WELDING NDT TECHNICIAN

Construction Quality Services

2016 - Present

- Conducted visual and ultrasonic inspections of welded joints in construction projects.
- Assured compliance with safety and quality standards throughout the inspection process.
- Documented inspection results and communicated findings to project stakeholders.
- Collaborated with engineers to develop corrective action plans for identified defects.
- Maintained and calibrated NDT equipment to ensure accurate results.
- Participated in safety training sessions to enhance workplace safety culture.

QUALITY ASSURANCE TECHNICIAN

Advanced Manufacturing Solutions

2014 - 2016

- Performed inspections of welded components and reported on quality compliance.
- Utilized various NDT methods to verify weld quality and structural integrity.
- Worked closely with production teams to facilitate timely resolutions to quality issues.
- Assisted in the development of quality assurance procedures and documentation.
- Conducted training sessions on welding standards and inspection techniques.
- Participated in internal quality audits and contributed to continuous improvement initiatives.
