EXPERTISE SKILLS

- Heavy Machinery
- Quality Inspection
- NDT Methods
- Visual Inspection
- Compliance Audits
- Team Collaboration

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Diploma in Welding Technology, Community College of Technology

MICHAEL ANDERSON

WELDING QUALITY INSPECTOR

Detail-oriented Welding Quality Inspector with a robust background in heavy machinery manufacturing. Demonstrates exceptional skills in evaluating weld quality and ensuring compliance with stringent industry standards. Known for a meticulous approach to inspection and a commitment to maintaining high safety standards. Adept at utilizing various inspection tools and techniques, including visual inspection and ultrasonic testing, to assess weld integrity.

PROFESSIONAL EXPERIENCE

Titan Machinery Corp.

Mar 2018 - Present

Welding Quality Inspector

- Performed detailed inspections of welds on heavy machinery components, ensuring compliance with quality standards.
- Utilized calipers and gauges for accurate measurement of weld dimensions.
- Conducted visual inspections and documented findings for quality control reports.
- Collaborated with production teams to troubleshoot welding issues and implement corrective actions.
- Assisted in the development of welding quality plans and procedures.
- Participated in safety audits and ensured compliance with OSHA regulations.

Heavy Industries Ltd.

Dec 2015 - Jan 2018

Welding Inspector

- Conducted inspections on welds for structural integrity in heavy machinery fabrication.
- Utilized non-destructive testing methods to verify weld quality.
- Documented inspection results and maintained records for compliance audits.
- Collaborated with engineers to refine welding processes and standards.
- Provided training to new inspectors on quality assurance practices.
- Maintained a safe working environment by adhering to safety protocols.

ACHIEVEMENTS

- Achieved a 15% reduction in defects through enhanced inspection techniques.
- Recognized for outstanding performance in quality assurance by management.
- Contributed to the successful completion of major projects on time and within budget.
