### SKILLS

- Energy sector welding
- Project management
- Quality assurance
- Training development
- Safety compliance
- Strategic planning

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN WELDING  
ENGINEERING, NATIONAL UNIVERSITY,  
2014**

### ACHIEVEMENTS

- Successfully managed a \$2 million welding project delivered ahead of schedule.
- Increased team efficiency by implementing a new tracking system.
- Awarded 'Best Project Supervisor' for outstanding project delivery.

### WORK EXPERIENCE

#### WELDING SUPERVISOR

Energy Solutions Group

2020 - 2025

- Supervised welding operations for renewable energy projects, ensuring compliance with industry standards.
- Enhanced quality control processes, resulting in a 30% reduction in rework.
- Developed and implemented a comprehensive training program for welding personnel.
- Collaborated with project managers to optimize project timelines.
- Conducted regular safety inspections, maintaining a zero-incident record.
- Utilized advanced welding technologies to improve operational efficiency.

#### WELDING COORDINATOR

Infrastructure Developments

2015 - 2020

- Coordinated welding activities for large-scale infrastructure projects.
- Monitored welding processes to ensure adherence to project specifications.
- Provided technical guidance to welding teams, enhancing overall performance.
- Assisted in the preparation of project documentation and reports.
- Maintained equipment and tools to ensure operational readiness.
- Facilitated communication between stakeholders and project teams.
