INSTITUTE**

ACHIEVEMENTS

- Recognized for outstanding contributions to community-based survival training initiatives.
- Increased participant satisfaction ratings by 30% through enhanced workshop designs.
- Contributed to the development of a sustainability-focused survival training curriculum.

WORK EXPERIENCE

ASSISTANT WILDERNESS SURVIVAL INSTRUCTOR

Mountain Skills Academy

2020 - 2025

- Assisted lead instructors in delivering hands-on wilderness survival courses.
- Developed training aids and resources to enhance participant understanding.
- Conducted pre-trip orientations and safety briefings to prepare participants.
- Facilitated group discussions on survival strategies and ethical considerations.
- Evaluated participant progress through practical skills assessments.
- Coordinated post-training feedback sessions to gather insights for program improvement.

WILDERNESS SURVIVAL WORKSHOP FACILITATOR

Eco-Adventure Retreats

2015 - 2020

- Designed and facilitated workshops on sustainable wilderness survival techniques.
- Engaged participants in team-building activities that emphasized collaboration.
- Utilized experiential learning to teach critical survival skills in a controlled environment.
- Conducted evaluations of workshop effectiveness and participant satisfaction.
- Promoted awareness of local ecosystems and conservation efforts during training.
- Created a resource library for participants to access post-training information.
