WORK EXPERIENCE

Wilderness Survival Educator

2020-2023

Survival Skills Academy

- Educated participants on a variety of wilderness survival techniques through immersive workshops.
- Designed experiential learning activities that promoted critical thinking and adaptability.
- Implemented safety measures and emergency protocols during all training sessions.
- Facilitated group activities that enhanced teamwork and collaboration among participants.
- Conducted evaluations to assess participant learning and program effectiveness.
- Developed partnerships with local organizations to broaden training outreach.

Outdoor Skills Facilitator

2019-2020

Trailblazers Outdoor Program

- Delivered interactive workshops focusing on essential survival skills and environmental awareness.
- Engaged participants in real-life scenarios to enhance practical application of skills.
- Created a resource toolkit for participants to continue their learning post-training.
- Utilized feedback to refine workshop delivery and content relevance.
- Promoted a culture of safety and preparedness in all training activities.
- Collaborated with educators to integrate survival skills into school curriculums.

ACHIEVEMENTS

- Increased workshop participation by 35% through innovative marketing strategies.
- Recognized for developing a community training program that enhanced survival skills awareness.
- Received positive evaluations from over 90% of participants for training effectiveness.
