### WORK EXPERIENCE

#### Digital Program Manager

2020-2023

Women in Tech Initiative

- Developed and launched digital platforms that connect women entrepreneurs with mentors and resources.
- Implemented online training programs that have served over 2,000 women in tech skills.
- Conducted user research to enhance the effectiveness of digital tools for women.
- Collaborated with tech companies to provide scholarships for women in STEM fields.
- Monitored and analyzed user engagement metrics to refine program offerings.
- Presented findings at technology conferences, promoting women's contributions to the industry.

#### Tech Consultant

2019-2020

Empowerment Through Technology

- Advised organizations on integrating technology into women's empowerment programs.
- Conducted workshops on leveraging social media for advocacy and outreach.
- Developed content strategies that increased online visibility for women-led initiatives.
- Collaborated with developers to create user-friendly applications for women's needs.
- Evaluated technology projects to assess their impact on women's economic participation.
- Engaged with stakeholders to promote gender-inclusive tech policies.

### ACHIEVEMENTS

- Increased participation of women in tech programs by 70% within a year.
- Recognized for the successful launch of a national campaign promoting women in technology.
- Secured partnerships with major tech firms to enhance resources for women entrepreneurs.
