WORK EXPERIENCE

Founder and CEO

2020-2023

Women's Economic Empowerment Initiative

- Established a social enterprise focused on training women in business management skills.
- Developed partnerships with local businesses to create job opportunities.
- Secured funding through grants and investors to support program initiatives.
- Implemented a mentorship program connecting women entrepreneurs with industry leaders.
- Evaluated the impact of programs on participants' economic outcomes.
- Advocated for policies that support women-owned businesses.

Business Development Manager

2019-2020

Empowerment Through Enterprise

- Developed business plans for women-led startups, fostering economic independence.
- Conducted training workshops on financial literacy and business management.
- Collaborated with community organizations to support women entrepreneurs.
- Analyzed market trends to identify business opportunities for women.
- Monitored and reported on program success and areas for improvement.
- Advocated for increased access to capital for women entrepreneurs.

ACHIEVEMENTS

- Recognized as a leading social entrepreneur by Global Women's Forum in 2023.
- Increased the number of women-owned businesses by 30% in the local community.
- Successfully launched a national campaign promoting women's entrepreneurship.
