WORK EXPERIENCE

HEALTH PROGRAM MANAGER

Women's Health Initiative

2020 - 2025

- Led health education programs that reached over 20,000 women in rural areas.
- Collaborated with healthcare providers to improve access to reproductive health services.
- Conducted needs assessments to identify community health challenges.
- Developed culturally sensitive educational materials for diverse populations.
- Monitored and evaluated program outcomes to ensure sustainability.
- Engaged local leaders to promote health initiatives and garner support.

PROJECT OFFICER

Global Women's Rights Organization

2015 - 2020

- Implemented projects focused on improving girls' access to education in conflict zones.
- Worked with local NGOs to provide resources and training for women's empowerment.
- Facilitated community discussions to raise awareness of women's health issues.
- Conducted training sessions for staff on gender-sensitive programming.
- Managed project timelines and budgets, ensuring compliance with donor requirements.
- Collected and analyzed data to assess project impact and inform future initiatives.
