Michael Anderson

DIGITAL INCLUSION PROGRAM MANAGER

Innovative Women Empowerment Manager with expertise in leveraging technology to enhance women's participation in the digital economy. Demonstrated success in creating programs that provide women with the skills and resources necessary to thrive in tech-driven environments. Strong advocate for gender inclusivity in STEM fields, with a focus on empowering women through education and mentorship.

EXPERIENCE

DIGITAL INCLUSION PROGRAM MANAGER

Tech for Women

2016 - Present

- Developed workshops that trained over 1,500 women in digital skills and entrepreneurship.
- Established partnerships with tech companies to provide internship opportunities.
- Led initiatives aimed at increasing female enrollment in STEM courses by 40%.
- Conducted market research to identify barriers to women's participation in tech.
- Monitored program outcomes and adjusted strategies based on participant feedback.
- Secured sponsorships from tech firms to fund program activities.

STEM EDUCATION COORDINATOR

Girls Who Code

2014 - 2016

- Coordinated coding camps that empowered over 300 girls to pursue tech careers.
- Developed curriculum focused on coding, robotics, and digital literacy.
- Engaged with schools to promote STEM education for girls.
- Facilitated mentorship programs connecting girls with female tech leaders.
- Organized hackathons to encourage innovation among participants.
- Evaluated program effectiveness through participant surveys and follow-up assessments.
