# MICHAEL ANDERSON

## PROGRAM DIRECTOR

Visionary Women Health Program Manager with a strong track record in advocacy, policy development, and community health initiatives. Expertise in leveraging research and data to inform program strategies that effectively address the health needs of diverse women populations. Proven experience in collaborating with a variety of stakeholders, including government agencies, non-profit organizations, and community groups, to promote health equity and access to care.

## **PROFESSIONAL EXPERIENCE**

### **Women's Health Advocacy Coalition**

*Mar 2018 - Present*

Program Director

- Directed advocacy campaigns focused on improving access to reproductive health services.
- Developed policy briefs and position papers to influence local and state legislation.
- Engaged community leaders to promote awareness of women's health issues.
- Facilitated focus groups to gather insights for program development.
- Managed a team of volunteers to support outreach and education efforts.
- Tracked and reported on advocacy outcomes to stakeholders and funders.

### **Institute for Women's Health Research**

*Dec 2015 - Jan 2018*

Research Associate

- Conducted qualitative research on women's health disparities and barriers to care.
- Analyzed data sets to inform program development and funding proposals.
- Collaborated with researchers to publish findings in academic journals.
- Presented research at national conferences on women's health issues.
- Developed educational materials based on research findings.
- Participated in community outreach to disseminate research insights.

## **ACHIEVEMENTS**

- Successfully lobbied for increased funding for women's health programs at the state level.
- Published a seminal study on health disparities in women's access to care.
- Received the 'Community Impact Award' for outstanding service in women's health advocacy.
