WORK EXPERIENCE

Youth Program Developer

2020-2023

Innovative Youth Solutions

- Designed interactive programs that engaged youth in civic activities and community service.
- Utilized technology to create virtual workshops and events during the pandemic.
- Fostered partnerships with local artists and educators to enhance program offerings.
- Conducted outreach to diverse communities to promote program accessibility.
- Implemented evaluation tools to assess program impact and youth satisfaction.
- Organized community showcases to highlight youth achievements and projects.

Community Engagement Intern

2019-2020

Youth Leadership Institute

- Assisted in the development of youth-led initiatives that addressed community issues.
- Supported event planning and logistics for youth conferences.
- Engaged with youth through social media campaigns to promote program involvement.
- Conducted participant surveys to gather feedback for program improvement.
- Collaborated with staff to create promotional materials for youth events.
- Maintained records of youth participation and outcomes.

ACHIEVEMENTS

- Increased youth program enrollment by 70% through innovative outreach strategies.
- Received the Youth Innovator Award for contributions to community engagement.
- Successfully launched a digital platform to connect youth with resources and opportunities.
