MICHAEL ANDERSON

PROGRAM DIRECTOR

Strategic and results-driven Youth Mental Health Coordinator with a rich background in program administration and policy development. Expertise in leading cross-functional teams to design and implement mental health initiatives that align with community needs and organizational goals. Proficient in managing budgets, grant writing, and resource allocation to enhance service delivery. Recognized for the ability to analyze complex data sets to inform decision-making processes and improve program outcomes.

PROFESSIONAL EXPERIENCE

Youth Development Agency

Mar 2018 - Present

Program Director

- Oversaw the development and implementation of youth mental health programs.
- Managed a budget of \$500,000, ensuring effective allocation of resources.
- Developed partnerships with local organizations to enhance program reach and impact.
- Conducted program evaluations to measure effectiveness and inform adjustments.
- Led staff training initiatives to improve service delivery standards.
- Advocated for policy changes to improve youth mental health services at the local level.

State Mental Health Board

Dec 2015 - Jan 2018

Mental Health Policy Analyst

- Researched and analyzed mental health policies affecting youth services.
- Collaborated with stakeholders to develop policy recommendations for state legislation.
- Presented findings to policymakers to advocate for improved youth mental health funding.
- Utilized data analytics to assess program effectiveness and inform policy adjustments.
- Engaged in community forums to gather feedback on mental health service needs.
- Authored reports on youth mental health trends to guide strategic planning.

ACHIEVEMENTS

- Awarded 'Best Practices in Youth Mental Health' by the National Association of Mental Health.
- Increased funding for youth mental health programs by 25% through successful grant applications.
- Implemented a new data tracking system that improved program reporting efficiency by 40%.
