WORK EXPERIENCE

Digital Literacy Coordinator

2020-2023

Tech for Youth Initiative

- Developed and implemented digital literacy programs for underserved youth.
- Organized coding workshops and tech camps that attracted significant youth participation.
- Collaborated with local schools to integrate technology into classroom learning.
- Evaluated program effectiveness through participant assessments and feedback.
- Secured partnerships with tech companies to provide resources and mentorship.
- Created online platforms for youth to showcase their tech projects.

STEM Outreach Intern

2019-2020

Innovate Youth Program

- Assisted in organizing STEM education events for local youth.
- Engaged participants in hands-on technology demonstrations.
- Maintained documentation of program participation and outcomes.
- Coordinated logistics for field trips to tech companies.
- Developed marketing materials to promote STEM initiatives.
- Supported outreach efforts to increase program visibility in the community.

ACHIEVEMENTS

- Increased youth participation in digital literacy programs by 70%.
- Recipient of the Tech Innovation Award in 2022.
- Successfully launched a digital mentorship program connecting youth with industry professionals.
