## WORK EXPERIENCE

### Digital Literacy Trainer

2020-2023

Tech4Youth Initiative

- Designed and delivered digital literacy training programs for underserved youth.
- Utilized online platforms to facilitate remote learning opportunities.
- Created engaging content to enhance youth understanding of technology.
- Collaborated with local schools to integrate digital skills into the curriculum.
- Monitored participant progress and adapted training based on feedback.
- Organized community workshops to promote digital literacy awareness.

### Technology Integration Specialist

2019-2020

Youth Tech Alliance

- Developed programs to teach youth essential coding and software skills.
- Facilitated workshops on online safety and responsible technology use.
- Engaged with community partners to promote technology access for youth.
- Conducted assessments to evaluate the effectiveness of technology programs.
- Provided ongoing support to youth in their technology projects.
- Advocated for equitable access to technology resources in schools.

## ACHIEVEMENTS

- Increased digital skills proficiency among youth by 50% over two years.
- Recipient of the Innovative Program Award for excellence in technology training.
- Successfully launched a coding boot camp that enrolled over 150 youth.
